# MAKING A COMMUNITY SAFE

TRIBUNE STAFF  
WELLAND

Safe neighbourhoods, senior safety and awareness, workplace safety, wellness and prevention, emergency planning and sponsorship are the distinct areas of focus for six new subcommittees of the Welland Safe Community Partnership struck Thursday.

"Our next step is to encourage the citizens of Welland to get involved in making our community a safer place by joining one of the subcommittees, says partnership chair Pat Chiocchio, councillor for Ward 2.

"Our goal is to ensure that every citizen in Welland thinks about safety on a daily basis and takes the necessary steps to prevent injuries and other mishaps."

Subcommittees will determine their unique goals. Interested participants are to call Laura Ip, executive assistant to the mayor, at 905-735-1700 ext 239.
