TEACHING SAFETY

Welland Safe Community Partnership workplace safety subcommittee members from left Kevin Bailey, Donna Mills and Gary Lapierre are learning the Safe Community Incentive Program (SCIP) from staff from Worker Safety Insurance Board including community program co-ordinator Lesia Conneely, standing, Tuesday at the Welland Hydro building. The volunteers are training so that they can teach the SCIP to staff of any company who wishes to do so and reap some benefits for being a safe company. For more information call Bill Auchterlonie 905-735-0490.
